Dear Eric,

I am writing today on behalf of our Members of Skål International Boston, in support of Holly Powers for the nomination of International Skål Councilor for a 2-year term.

With her experience over the years on the local club level here in Boston, her roles as VP of Administration and most recently President of Skal USA, we feel strongly that there is no better skalleague to serve in this role and recommend her without hesitation. Her passion to grow the membership and make the organization relevant and meaningful is inspiring to us all.

I am proud, on behalf of Skål International Boston, to nominate Holly for this important role and know that she will pour her heart and soul into it given the chance.

Yours in Skal,

*Carrie Campbell*

Subject: Nomination of Holly Powers for Skål USA President 2017

Dear Eric,

I am often asked, given our industry, to write letters in support of someone, and in so cases, something. Today I am writing a letter, on behalf of the Members of Skål Boston, in support of Holly Powers for the nomination of President of Skal International United States of America. I can say without a second of hesitation in my year as President of Skal Boston, this is indeed the highlight of my tenure. I feel privileged to bring forth such a strong and worthwhile candidate.

In my years with Skål, Holly has proven to be a Skalleague above all others. Her genuine care and concern for not only our club and each of our members, coupled with her great stewardship in helping redefine Skål USA, as we ready ourselves for some great things ahead as a more unified Skal International, have certainly paved the way to allow her the unique insights needed in guiding Skål USA as President.

On behalf of Skål Boston, it is my pleasure to nominate Holly Powers for the office of Skål USA President for 2017. I can assure you as an industry leader for more than 3 years, our clubs will be well suited for both the growth and sustainability with Holly at helm.

Respectfully submitted.

Yours in Skål,

Dan Donahue
