Vicki Abel/Pittsburg/(724)733-5952/vickiabel@gmail.com Vicki will be on the NCM call. They will not be sending anyone to World Congress because of the cost. They make scholarships their priority from their fund raising.

Beth Schulberg/Portland/(503)641-5225/beth@cruzholidays.com Stephanie Warren will be on the NCM call. She will put an email out to see if anyone has suggestions or concerns.

Ivan Puig/Puerto Rico/(787)-562-4048/ipuig@nauticodessanjuan.com Ivan will try to be on the NCM call with Ronald Flores as the back up. Ron Flores will attend World Congress. Membership Development and YS are their challenges. Their fund raiser will be in October and they invite a government official and offer fine dining, so they usually get a good turn out.

Hectot Jayakaran/Raleigh-Durham/(919)810-2371/hjeyakaran@shgltd.com Hector will be on the NCM call and he will attend World Congress.

Eric Kertzman/(775)832-1132/ejk@diamondpeak.com Emailed Eric and left message, haven't heard back.

Other ISC Business

I have been asked to help with the raffle for Membership Development Funds for future conferences. I will be calling Skål Members for gift certificates that they can donate in the Silent Auction in Hyderabad. This is now in debate, as the FVF trustees state that it is against the by-laws. This is yet to be determined.

Sincerely, *Cyndi Golden, CFME/* SIUSA International Councillor
