Skål USA Administrator
Skål International USA
111 K Street NE, 9th Floor
Washington, DC 20002

Dear Skål USA Administrator:

On behalf of the membership of Skål International Jacksonville, I am pleased to submit for nomination our member, Martha McClintock, for the position of International Skål Councillor for Skål USA.

Martha has been a longstanding member of Skål International Jacksonville having worked through the chairs to President of our club in 2007; she also served as our Skål USA Representative before being elected to the Skål USA Board in 2011. She is currently serving as Skål USA Representative on the 2017 Skål International Jacksonville Board.

She served as Vice President of Region IV from 2011- 2013 during which time she coordinated all the efforts for Skål International Jacksonville to host the 2012 National Committee Meeting in St. Augustine and she also successfully reactivated Skål International Charlotte in 2013. During her year as Skål USA President in 2015 she introduced several new benefits for clubs including the quarterly Skål USA club President's calls and Skål USA Representative conference calls to insure the entire membership was kept inform of the activities and decisions of the Skål USA Executive Committee. Martha also continued assisting clubs with Membership Development. She never fails to promote the benefits of Skål membership to prospective members.

Martha continues to work tirelessly for the advancement of Skål not only for our local club, but for the entire Skål International organization. We look forward to Martha representing all of Skål USA in the larger global organization for the next two years as International Skål Councillor for Skål USA. Skål International Jacksonville is excited to nominate our member Martha McClintock and strongly endorses her candidacy for the position of Skål USA ISC.

Skål,

Michael Cunningham
2017 President, Skål International Jacksonville
