RECOMMENDED PROCEDURES FOR THE INDOCTRINATION OF NEW MEMBERS

The following represents the recommended procedures for Skål USA Clubs introducing new Members to the world of Skål and inducting them into the Club. Hopefully, this recommendation will help both the Club and the new Member.

1. INDOCTRINATION

- A. At the next meeting of the Board, the new Member and their sponsor (and/or second) should be invited to meet the Officers of the Club. At a mutually convenient time and place, the Club's Skål USA Representative, and/or Chairman of the Membership Committee, should acquaint the new Member with the basic details and background of the Skål Movement.
- B. This indoctrination should include the "*What is Skål?*" booklet.
- C. An explanation should be given concerning -
 - i. Organization of the local Club.
 - ii. Organization of Skål USA.
 - iii. Organization of Skål International.
- D. Information should be given concerning the Annual NASC Congress and the Annual International Skål Congress and the advantages of the Members' participation.
- E. The candidate should be given a set of the Club's Statutes and encouraged to review same.
- F. A brief explanation should be given concerning the Florimond Volckaert Fund and the purpose of this fund.

- G. Information should be provided on the Skål International, Skål USA and local club's websites; and how to access them.
- H. The candidate should be given a copy of the Skål toast, and asked to memorize it and be prepared to recite it when called upon by the President.

The proper form is as follows:

To Fellow Skålleagues Everywhere

(Membership repeats each line)

Happiness
Good Health
Friendship
Long Life!

Other items can be covered as warranted, and the new Member given ample opportunity to ask questions.

The Chair of the Membership Committee should complete the indoctrination and induction checklist.

- I. After meeting all the requirements, indoctrination by the Club's Board, approval by Skål International and payment of dues the candidate is then scheduled to be pinned at the next regular meeting.

Upon completion of the recommended procedure and indoctrination of a new Member, the Membership Chairman or President will complete the checklist form (see "INDOCTRINATION AND INDUCTION CHECKLIST")

INDUCTION

Prior to induction into Skål, a new Member should be given the basic organization orientation by the Skål USA Representative or the Chairman of the Membership Committee, as previously recommended. Included would be a copy of the Club's Statutes and the "*What is Skål?*" booklet.

Induction into the local Skål Club should be at one of the regularly scheduled meetings of the Club and not at a "make up" or "outing" meeting. The brief ceremony should be conducted by the current President or the highest ranking officer of the Club.

The following is a recommended procedure for this occasion:

The Inducting Officer calls the new Member, the proposer (and the seconder) to step to the podium, and request the Skålleague proposing the new Member to give a brief introduction including a summary of their professional background, current affiliation and responsibilities.

The Inducting Officer will officially welcome the new Member into the Club and present the Skål membership certificate, copy of the Club's roster and Skål pin. (The certificate should be framed.)

The new Member should then be called upon to give the Skål toast. If more than one Member is being inducted, one is invited to give the toast.

INFORMATION FOR NEW MEMBERS

A prospective new member, when submitting the Membership Proposal Form, should be given the information outlined in "INFORMATION FOR NEW MEMBERS" and "INDOCTRINATION and INDUCTION CHECK LIST". The contents of this are the information sheet and the "*What is Skål?*" brochure, which may be incorporated in a letter from the Club President.

The "What is?" brochure is available through the Skål USA Administrator. The Club should keep a supply of these on hand.

INFORMATION FOR NEW MEMBERS

Welcome as a Skålleague! Here is some information that will be helpful to you.

SKÅL INTERNATIONAL (SI)

This is the formal name of Skål and the organization to which all Skål Members and Clubs belong. The Roster you will receive contains the early history of Skål International.

SKÅL INTERNATIONAL OF THE UNITED STATES OF AMERICA (USA)

Again, your Roster will give you a history of USA. For administrative purposes, Skål International authorizes Area or National committees for the administration of Skål activities in various parts of the world. USA is a National Committee.

SKAL USA ARTICLES OF INCORPORATIONS AND BY-LAWS

Your Club Officers have copies of the Skål USA Articles of Incorporations and By-Laws. A copy is available on request. These Articles of Incorporations and By-Laws may be more stringent than the Skål International Statutes or By-Laws.

STATUTES OF YOUR CLUB

You will receive a copy of your Club's Statutes which, again, may not be more lenient but may be more stringent than those of Skål International and USA. Remember, we are part of Skål International and have agreed to abide by its principles.

The Skål International By-Laws spells out the various categories and industry classifications of Membership, and procedures you should follow in proposing prospective members.

Four things should be emphasized:

1. By accepting membership in your local Club, you have also accepted membership in Skål International, which has more than 500 Clubs in more than 90 countries throughout the world. You have accepted the primary principle of the traditional toast of Skål: **"To fellow Skålleagues everywhere, happiness, good health, friendship, long life ... Skål!"**
2. You are required to demonstrate your continuing interest by attending at least three meetings of your Club. Visits to other Clubs count toward your attendance requirement. You have the responsibility of sending your Club the record of your attendance at those meetings.
3. If your business requires you to move from the area of your Club, be sure you are thoroughly informed regarding Transfer-Active privileges.
4. From the start, resolve to attend the Annual Meeting of Skål USA and the Annual Skål International Congress - where you will see Skål in action.

3. MEMBERSHIP DEVELOPMENT

FINANCIAL ASSISTANCE FOR DEVELOPMENT:

Financial assistance for development will be available from the special Development Fund from both Skål International and Skål USA.

The Skål International Development Fund Assistance Application Form shall be used for financial assistance; it must be made in advance of the proposed function to Skål International with a copy to the Skål USA Vice President Finance and a copy to Skål USA Vice President Membership. Retroactive requests for financial assistance will not be considered. Requests approved in advance of the event will be paid on presentation of the appropriate invoices after the event has been held.

Funding will be provided on a three- way split (Skål International, Skål USA, Club) up to a maximum amount of EUR 300 from Skål International. Please note that funding from Skål International or Skål USA for development assistance does not cover meal costs for function attendees.

In line with the directive from the Membership Development Director a list of potential members in the area where the Club is should be forwarded to the General Secretariat. A detailed plan using the guidelines contained in the Skål Membership Development Seminar PowerPoint presentation available from Skål Net in the Membership Development section, must be forwarded with the application for financial assistance.

A special form is available at skal.org “Membership Development ‘Financial Assistance Application Forms from Membership Development Fund” with these explanatory notes to help with the application. Money will be available for the formation or reactivation of a Club and a substantial net increase in the number of members in a Club.

Financial support is available for the following:

- Transportation
- Accommodation
- Printing and promotional material
- Cocktail or other promotional event.
- Audio visual hire costs – e.g. data projector, screen etc.
- Internet connection expenses for Net demonstration & Skype connection.
- Copies of the Promotional DVD for seminar attendees

The Executive Committee will decide each case on its merits and the financial assistance will be relative to the increase of the number of members. The Executive Committee’s decision in this regard will be final.

Details of the annual budget allocated by the Club for Development and promotion of the Movement in the Club should be included. The payment will be considered on a one for one (Dollar for Dollar) basis and the maximum payable in any one case will be three hundred Euro (€300.00). Any request approved by Skål International is automatically approved by Skål USA.

Payment by Skål International is being offered as a credit issued to the Club, based on the exchange rate when the credit is received. Payment by Skål USA will be by check.

It is expected that Clubs with substantial financial resources will not apply for assistance. No application will be considered unless it is accompanied by vouched documents.

MEMBERSHIP CERTIFICATE

Each Member shall be presented with a standard membership certificate, supplied by Skål International; who shall issue the certificate, after having certified eligibility, and forward same to the local Club for presentation to the Member. The certificate should be suitably framed.

25 and 50 YEAR MEMBERSHIP CERTIFICATES

Certificates honoring a Skålleague's 25 and 50 years of membership are available from the Skål USA Administrator. These should be ordered from the appropriate Vice President giving the correct name to appear on the certificate and recipients effective date of Skål Membership. It is recommended awards be presented on a special occasion such as the Club's Annual Meeting, Installation of Officers banquet, Christmas meeting, etc.

25 Year Award A silver embossed certificate.

50 Year Award A wooden, laser engraved, Skål USA plaque with brass plate engraved as follows:

(Name)
in recognition and with sincere
appreciation of your invaluable
contribution during your
50 YEARS
membership in

MEMBERSHIP CARDS

All Skål members receive a membership card designed and issued by the Secretariat of International. A new card is issued annually by Skål International for each member. The cards are mailed to the local Clubs.

Membership cards are valid only for the year issued, plus a grace period through March 31 of the following year.

Membership cards contain the member's last and first names, Club affiliation, membership classification and Skål International membership number. The membership number serves as the password for gaining access to the www.skal.org website.

When attending other Clubs as visitors, Skålleagues are urged to present their card to the appropriate Club officer; Club officers are required to verify current membership of visitors not known to them.

DUTIES OF MEMBERS

ATTENDANCE

Attend as regularly as possible, but not less than three (3) times per calendar year. Failure to meet this requirement can result in withdrawal of membership. Attendance at other Clubs (Make-up) are counted toward annual requirement, as long as member provides their Club's Secretary with an attendance record from the Club attended.

NOTE: Participation in Club Board or other scheduled committee meetings shall not be credited towards attendance requirements.

The Club Secretary shall be responsible for maintaining a current record of attendance for all members. The Board, however, may appoint an Attendance Chairman whose duties may include:

- Review Members' attendance

- Contact Members delinquent in attendance

- Recommend action necessary to assure satisfactory attendance, make quarterly reports to the Board regarding the possible corrective action concerning Members' attendance and interest in meeting the requirements.

The Club Secretary will send a letter, to the USA Vice President Membership, no later than January 31, indicating that the members of their Club are in compliance with attendance requirements.

MEMBERSHIP GROWTH RECOMMENDATIONS

What to expect from Skål USA

Three members of the Executive Committee have been charged with membership growth and retention. They are great resources to the clubs and will contact each club with suggestions to grow and retain membership.

Quarterly Skål USA will conduct a new member webinar in order to educate members (existing as well as new) on the benefits of being a Skålleague. The webinar may also be accessed at

SkålUSA.org for club use at meetings.

Funds for membership development are available from Skål International and Skål USA.

Members of the Skål USA Executive Committee telephone Club Presidents every other month and Skål USA Representatives in alternate months. These calls are excellent communication opportunities.

An incentive plan was instituted in 2017 and hopefully will continue to reward new members and their sponsors.

What the club should do

- ❖ Conduct a club evaluation: what are the strengths and weaknesses of the club
 - What is the membership mix, i.e. travel agents, hotels, airlines?
 - Is there diversity in the membership?
 - What is the mix age wise?
 - Are meetings well attended?
 - What venues are most popular?
 - Is there variety in activities?
 - Are program speakers interesting and well received?
 - Do the same people carry the load year after year?
- ❖ Challenge members to increase membership.
- ❖ Ask members to suggest five (5) potential members and then follow through.
- ❖ Utilize mailing/membership lists of other Travel and Hospitality Industry groups.
- ❖ Recruit prospects that will benefit existing members. Look at the mix of your membership.
- ❖ Invite other local travel and tourism industry people to your events.
- ❖ Explore joint meetings with other Travel and Hospitality groups to expose Skål to potential members.
- ❖ Run a contest to increase membership. Give an award to the members who bring in new members, and/or member who brings in the most new members.

- ❖ Budget for prospective members to be guest of the club.
- ❖ Establish a mentoring program so each new member may be mentored by an experienced Skålleague.
- ❖ Recruit younger members, they are the future of the movement.
- ❖ Diversify
- ❖ Formally introduce new members to the club. See new member introduction.
- ❖ Educate new members on the websites: Skål USA, Skål International and your club. Here they can learn what Skål is all about. They will find the benefits, the database, and information that can help their careers.
- ❖ Encourage new members to attend a “New Member Orientation”
- ❖ Encourage present and new members to participate in the New Member Webinar.
- ❖ Educate each month on current travel industry happenings in the local area: CVB, Airport Authority, Chamber of Commerce, City Government, Festivals, Sports and Universities.
- ❖ Secure venues for monthly networking that excite your membership, consider mixing up your monthly events, perhaps some dinners, some lunches, some special events. Invite spouses sometimes
- ❖ At meetings, encourage members to share what business they have conducted with other Skålleagues locally, nationally and internationally
- ❖ Feature one or more member’s business at each meeting, allow them to make a brief presentation and distribute collateral material.
- ❖ Each month have a Club Officer or Board Member sit with a new member, answer questions for them, elaborate on what Skål is.
- ❖ Keep members engaged, ensure your events are worthwhile attending. Consider programs with educational value, there are experts within your membership.
- ❖ Encourage members to participate in the annual congresses – NASC and International. Conduct fundraisers so the club can send a new member to the congress along with the Skål USA Representative.
- ❖ Share the big pictures with members: SI and Skål USA, Most members stay local and don’t immerse themselves in the larger Skål picture.

- ❖ Create awareness of FVF.
- ❖ Ensure new members are welcome and comfortable at meetings. They should not be left alone at meetings and find themselves in a different age group leading to a short-term membership.
- ❖ THINK OUTSIDE THE BOX

PART TWO

Skål USA REPRESENTATIVE(S)

The Club is the actual member of Skål USA, but the Club casts its vote through its Skål USA Representative, at the Skål USA Annual Meeting.

The Skål USA Representative, elected by their Club, represents their Club to Skål USA, and represents Skål USA to their Club. Must take their dual role seriously to assure that the Club officers discharge their duties and responsibilities to Skål USA and that Skål USA gives the Club the necessary assistance and leadership.

The Skål USA Representative:

- ❖ Is an elected Officer of their Club and therefore is a member of the Club's Board with full voting privileges. The Skål USA Representative cannot be considered as just the holder of an honorary title, but rather as an officeholder who has important responsibilities.
- ❖ Is required to attend all working sessions of the Skål USA Annual General Meeting, and the NASC Congress. While not required to attend the annual Skål International Congress

and Skål USA National Committee Meetings, the Representative is encouraged to do so. Written reports of the activities of these Congresses, pertaining to their Club's interest, must be given to their Club. Clubs having two (2) Skål USA Representatives and plan to send one to a Congress, the most senior Member will usually be expected to attend.

- ❖ Will assure the Club's annual attendance letter, copies of all Board Meeting minutes, regular meeting minutes and necessary action, directed by the Action Calendar in the Skål Club Field Guide are sent to the Vice President and the Skål USA Administrator, as provided in the Club Statutes. Must keep copies of correspondence for the Club's file. If the Club has an Executive Secretary-Treasurer, it is the responsibility of the Skål USA Representative, Club's Secretary and Club's Treasurer to ensure all activities are performed in a timely manner.
- ❖ Is expected to serve as Publicity Chairman in the event the Club has not appointed a member to this position. News and photographs of national and international interest should be sent to the Skål USA Director of Publicity with copies to the Vice President-Administration. Press releases of Club's activities should be sent to the appropriate news media.
- ❖ Has responsibility for soliciting candidates for the annual election of Officers.

(See Action Calendar, page 50)

The Skål USA Representative's normal line of communication, to and from USA, is through the Vice President Administration. Should receive copies of correspondence sent by the other officers of their Club to USA Officers and should be copied on all correspondence sent to the Club by USA Officers.

EXECUTIVE SECRETARY-TREASURER

A growing number of Clubs now have an Executive Secretary-Treasurer; however, it must be stressed that overall responsibility still lies with the appropriate Officers within the Club. Each Officer must be thoroughly familiar with all the responsibilities and duties of their office if they expect to successfully advance within leadership.

Executive Secretary-Treasurer is not a voting member of the Club's Board, unless the Club's Statutes provides for such and they are elected annually by the Club's membership.

Monetary remuneration for the work of the Executive Secretary-Treasurer is left to the discretion of the individual Club's Statutes (and the general membership if they so desire).

Note.... For the security and protection of the Club's assets and funds, the title Executive Director should not be used.

ELECTION SKAL USA REPRESENTATIVE

Each Skål USA Club having 65 or fewer Active, Retired and Life Members shall, no later than the January meeting of odd numbered years (2019, 2021, 2023, etc.) elect a qualified Skålleague as the Skål USA Representative for a period of two years. Past Club Presidents have usually served all Club offices and should therefore be given serious consideration for this position.

Each Skål USA Club having 66 or more Active, Transfer Active Retired and Life Members shall, no later than the January meeting each year, elect a qualified league as one of their two USA Representatives to serve for a period to two years.

The term of office for a Skål USA Representative is a maximum of two consecutive two-year terms.

Organizations under Section 501 (c) (6) or Section 501 (c) (7) are subject to filing tax returns under the following conditions.

FORM 990-N: If the Club's annual gross receipts are normally \$50,000.00 or less for tax years ending on or after December 31, 2010, the club is required to electronically submit Form 990-N, also known as the e-Postcard, unless your Club chooses to file a complete Form 990 or Form 990-EZ.

FORM 990-EZ: Your Club can file the shorter Form 990-EZ if the Club has less than \$100,000 in gross receipts and less than \$250,000 in total assets at the end of the year. Gross receipts include all income from all sources during the tax year without subtracting any expenses. For tax years beginning in 2010, if the Club has gross receipts less than \$200,000 and total assets at the end of the year less than \$500,000, it can file Form 990-EZ, instead of Form 990.

FORM 990 - Most likely your Club can file Form 990-N or 990-EZ. For tax years beginning in 2010, if the Club has gross receipts more than \$200,000 and total assets at the end of the year more than \$500,000, it must file Form 990.

FORM 990T - If your Club has gross income from an unrelated trade or business of \$1,000 or more. Unrelated income is usually income from interest on checking accounts, certificates of deposit or other areas not directly related to the normal business routine of the Club. Unrelated income is not exempt under this section and is subject to income tax. In addition, the Club is required to submit Form 990, 990-EZ, or 990-N.

It is very important that your Club Officers review your filing status and, if necessary, consult with a tax accountant.

Remember, your Financial Year is the calendar year, January through December and you must file before May 15th.

If your Club fails to file an annual return or submit an annual notice as required for three (3) consecutive years, it will automatically lose its tax-exempt status.

Please note funds collected from non-Skål members from events such as a silent auction may be taxable. Consult your tax professional.
