

# Region 1

## 2nd Quarter Report

Clubs visited 3 – Philadelphia, Baltimore, Washington

- Philadelphia – Skal Frankfurt President Heribert Becker visited their twin club of Skal Philadelphia in conjunction with the city of Philadelphia becoming a Sister City with the city of Frankfurt
- Baltimore – Met at The Fleet Reserve Club in Annapolis. Discussed the Boise meeting and thanked them for their support. Will promote their annual CrabFeast scheduled for August 17 in Pasadena, MD.
- Washington – Met at the newly renovated Phoenix Park Hotel. Attended by 61 members. I was honored to install Niamh Tallon from The Dupont Circle Hotel as a new Young Skal member.

Happy to report that almost all the Region 1 clubs present in Boise voted for the Skal Orlando statute and bylaw changes. Every club I have visited or have spoken with have said it's a move in the right direction.

Skal Connecticut – Cannot get a date where I can jointly meet with the club officers and Rene Vanderjagt, former Exec. Secretary Treasurer. They will have to either integrate with TAC, a large Travel Agent group in the state. Or, Invite some “Pied Pipers” like Arthur Tauck to join. I've asked President Nigel if they could be put on the conditional membership plan and he said only if they can bring in some major players. Arthur Tauck or one of his directors could be that major player.
