Dear Eric,

On behalf of the membership of Skal International Northern New Jersey, I am forwarding the nomination of Robert Lowell for SKAL USA, Junior Internal Auditor.

Robert has been a member of SKAL since 1980, starting with the Boston club . He transferred to the Northern New Jersey Club in 1982, and has been with us since then. Always an enthusiastic & active member over the years, Robert then joined the board in 1988. In 1990 he was elected as Secretary, followed by Treasure in 1991, Vice President in 1992, until his Presidency in 1993. For the 2 subsequent years he held the position as Representative for our Cub in SKAL International USA. Since 1996 Robert continued to hold various positions on the board, when, again in 2013 he was elected president of our club. Robert was again elected as our Representative for SKAL International USA in 2015 and again in 2018.

Robert has attended 9 NAASC Congresses (Boston, Nashville, Louisville, San Diego-Vancouver Cruise, Los Cabos, Quebec, Boise, Toronto and Playa Mujeres). He has also attended and 11 SKAL International World Congresses (Istanbul, Malta, Chennai, Sydney, Turku, Seoul, New York, Torremolinos, Monaco, Hyderabad, and this year in Mombasa).

Robert has always been a passionate ambassador not only for the Northern New Jersey club, but for also for SKAL USA and SKAL International.

Those that know Robert are keen to his fastidious nature, great attention to detail and demand for accuracy.

As such, coupled with his zest for the success of the entire SKAL organization, Robert is well suited for the position of Junior Internal Auditor, SKAL International USA, and is enthusiastically endorsed by the Northern New Jersey club

We are pleased to present our nomination and solid endorsement, of Robert Lowell as a candidate for SKAL USA Junior Internal Auditor.

Best Regards and SKAL,

Timothy M. O'Neill
