Ms. Burchin Turkkan
President Skal International USA

Dear Burchin:

On behalf of the Skal International New York City, it is my privilege to place in nomination for President Skal International USA the name of Lisa Conway.

Lisa has been a great contributor to the Skal International movement in New York, the USA and SI. She is a past president of Skal NYC and has held all of the officer and board positions. Lisa currently holds the key position of VP Administration for Skal International USA.

We believe that her expertise in running major organizations more than qualifies her for this important position.

Should you require any additional information from me, feel free to contact my office.

Sincerely yours,

A handwritten signature in cursive script that reads "Carolyn Feimster".
