Lisa Conway, President
SKÅL USA

Dear Lisa,

I am writing you in support of Morgan Maravich, who recently shared that she would like to run for the position of Director of Membership for SKÅL USA. I believe she is not only qualified but would indeed assist SKAL USA and the Board in growing our Membership here in the United States.

Morgan is an enthusiastic and reliable supporter of SKÅL, the travel/tourism industry and embodies the values of SKÅL. Her youth, passion, and industry knowledge has helped her to rise through the ranks of SKÅL Washington DC where she has held all board positions within our club.

Under Morgan's leadership our club has raised and donated more money to our charities of choice, which include Tourism Cares, Florimond Volckaert Fund and Destination DC's American Experience Foundation, than ever before. Additionally, she has worked to update our bylaws, which was not done since 2003.

We, SKÅL Washington DC, believe Morgan Maravich would bring a fresh, young perspective and inclusive approach to the board of SKÅL USA. We hope you will accept her nomination.

Sincerely,

A handwritten signature in blue ink, which appears to read "Barry Biggar".

Barry Biggar,
SKÅL International Washington DC Vice-President
