

Thank you for your interest in TSA and our efforts to protect the traveling public and TSA employees from the spread of the coronavirus. Additional information and resources on TSA's actions are available online. They include:

- Overview of TSA's ["Stay Healthy. Stay Secure." campaign](#), which details proactive and protective measures TSA has implemented at security checkpoints to make the screening process safer for passengers and the TSA workforce.
- ["What to Know Before You Go"](#) infographic.
- ["Stay Healthy. Stay Secure" video](#). Tips for traveling during the COVID-19 pandemic.
- [TSA screening checkpoint numbers for 2019 and 2020](#)
- TSA's [COVID-19 webpage](#).
- [Runway to Recovery](#). A coordinated federal response aimed at reducing the spread of COVID-19 throughout the travel industry. This document provides the U.S. Government's guidance to airports and airlines for implementing measures to mitigate the public health risks associated with COVID-19, prepare for an increase in travel volume, and ensure that aviation safety and security are not compromised.
