MEMORANDUM

TO: Whom It May Concern

FROM: Susan West, President

SUBJECT: Recommendation of Karen Trevino for Internal Auditor

DATE: October 14, 2020

It is with great pleasure that I recommend Karen Trevino, on behalf of Skal International Arkansas, for the position of Internal Auditor for the USA. Ms. Trevino has been a leader in our organization for many years. It is through her efforts that our club is financially stable and has continued to grow. She helped us receive the "Club of the Year" from the USA and become a runner up for the International "Club of the Year."

We fully support Karen Trevino and urge our fellow Skalleagues to vote her into this important position. We have seen from first-hand experience as to the financial savvy of Ms. Trevino and I know she will be a great candidate.

Please do not hesitate to call me at (470)200-6136 if you have any questions.
