08 October 2020

Mr. David Ryan
President SKAL International USA
Association Internationale des SKAL Clubs
National SKAL Committee of U.S.A.

Dear David:

I hope this finds you well.

I would like to take this opportunity to officially nominate Mark Irgang, President of Long Island SKAL Club #513, for the position of Director of Membership, SKAL International USA 2021.

I have worked with Mark as Director for SKAL Long Island and he has taken on many Club initiatives including to grow our chapter. Additionally, during these challenging times of COVID-19, Mark took the initiative and was instrumental in setting up and organizing the GoFundMe page to support the COVID-19 Relief Fund For Hospitality Workers.

Mark is extremely involved in many aspects of the Travel Industry and this includes not only SKAL, but he is also the President of the Long Island Hospitality Industry, Board Member for The NYS Hospitality Tourism Association and a Board Member for Discover Long Island which is the marketing organization (CVB) tasked with driving tourism and business to Long Island businesses.

SKAL Long Island Club #513 supports Mark Irgang to be the next Director of Membership and believe he would be a valued asset to the SKAL International USA organization.

Thank you for your consideration for Mark to become our next Director of Membership for SKAL International USA 2021.

Thank you,

Bruce Metzendorf
Director & Past President
SKAL International Long Island – Club 513
