# Skål International Vitae

Karen Jobe Trevino

## Personal Profile

I have been in the hospitality and tourism industry for more than thirty years. I have been a member of Skål International since 2003 with successive official duties in SI Arkansas. My knowledge, experience, abilities and skills have made me a leader in the industry. I have served on multiple national and state organizations where I was able to provide exceptional service both as a board member and executive committee member. In my professional career and in my personal volunteer service, I have had many years of experience in managing finances, event planning, marketing and sales, administration and operations, human resources, strategic planning, technology management and project development. Specific experiences include updating and/or developing By-Laws, Articles of Incorporation and financial management analysis evaluating organizational finances and implementing changes for stability for SI Arkansas.

## Objective

I wish to serve as the SIUSA Internal Auditor.

My personal integrity, attention to detail and understanding of legalities relating to the issues of finance and management will make me successful in this position.
