RE: Holly Powers – International Skal Councilor

Dear Eric,

I am writing today on behalf of the members of Skal Boston to support the nomination of Holly to a third two-year term as International Skal Councilor.

Holly is a dedicated Skaleague not only for our Boston Club, but for clubs across the world. Her knowledge, along with her expertise has been instrumental not only for Boston's growth and achievement, but for my personal growth within Skal. Along with her undeniable passion, Holly has always been a true professional. She is a team player, an advocate for Skal and most of all, a friend. Somehow, she manages to foster positive discussions and bring the best out of our members and our club.

I confidently recommend Holly to the position of International Skal Councilor. I know she will continue to be a beneficial addition to Skal International.

Please contact me should you have any questions or wish to discuss anything further.

Yours in Skal,

Beth Stehley
