SKAL National Committee:

At our Board Meeting on Tuesday, September 14, 2021, SKAL Tampa Bay Board of Directors unanimously voted to recommend Steven Rodriguez as a candidate for consideration to serve as Auditor with the SKAL USA Executive Board.

Steven has been a member of SKAL Tampa Bay for over 11 years, served in every single role for the executive board of our chapter including EST, Treasurer, Secretary, Membership, Vice President and currently serves as the 2021 President of our Chapter. With each position, Steven has served with the utmost level of professionalism and integrity and has been a true pleasure to work alongside of.

Within our chapter, we've seen increases in membership year over year. He truly believes in and exhibits the values of SKAL and is able to effectively communicate these in a way that moves individuals to commit to membership. He is a great connector that seeks out the feedback and insight needed to further enhance our member experience. Throughout the 2020 pandemic, Steven's enthusiastic leadership and ability to be nimble contributed greatly to the clubs 35% growth!

In addition to growing our membership, Steven organizes and conducts most of the fundraisers for the organization which allows us to fund Young SKAL experiences and significant contributions to the Florimond Volckaert fund. He handles all audits for SKAL Tampa Bay and is very knowledgeable with all aspects of financials.

I am confident you will find the addition of Steven Rodriguez to the SKAL USA Executive Board to be one of great value. Thank you in advance for your consideration of this candidate.
